

World's leading supplier of beverage dispensing and cooling equipment

A frozen multi flavor valve that significantly increases flavour options within the existing equipment footprint

FROZEN MULTI FLAVOR VALVE (FMFV)

Why should you buy FMFV?

- Mixology - ability to combine and personalize flavors
 - Use classic brands to create "Frozen Mixes" such as Vanilla Cola or Raspberry Cola
- Increase flavor options for consumers within the same equipment footprint
- With more variety maximize guest count
- Easily retrofittable on existing Viper and other FCB equipment
